Admission Notification for B.G. 3rd-4th Semesters (NEP Batch-2023)

It is notified for the information of all concerned candidates that the admission link to the 3rd & 4th semesters (NEP, Batch-2023) for different Bachelors Programs offered in the Government Degree College Kulgam shall be available from 14-08-2024 up to 29-08-2024 as notified by the University of Kashmir vide notification No: F(BG-3rd-4thAdm) Reg/KU/24; dated: 12-08-2024.

All candidates who selected both a major and a minor during the program's first semester, or who selected both as a major (double major), are required to complete the courses through the eighth semester of the Undergraduate Program. The possibility to swap major and minor courses in the 3rd Semester is subject to availability in the institution and will be considered separately on a case-by-case basis. The students with a Minor Only or Minor Course, not being offered as a Major Course shall not have this flexibility.

All students, in addition to their Major and Minor courses, must select a Multidisciplinary course for their 3rd semester admission. Neither the major nor the minor, nor any of the subjects' students studied in the 12th class, may be this course; it must be different from the Multidisciplinary courses they took in the first and second semesters. Furthermore, every student must choose one Ability Enhancement Course (AEC) in Modern Indian Languages; this AEC will not be the same as the AECs they took in the first and second semesters. In addition, one Skill Enhancement Course (SEC) that was already taken in the first and second semesters must be completed in the third semester.

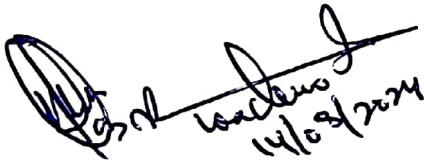

For 4th Semester every student shall be required to opt for three courses of Major (CT1, CT2 & CT3) & one course of Minor (CT1) in case of a Single Major and two courses of Major (CT1 & CT2) & two courses of Minor (CT1 & CT2) in case of double Majors.

The college's Admissions Committee has already mapped the Major(s), Minor, and SEC on a customized format that is available at the Admission Section for the convenience of the students. Only a Multidisciplinary Course and a Modern Indian Language may be chosen by the students.

CBCS and erstwhile annual or semester scheme students joining FYUGP of NEP 2020 shall make a choice of two courses which they have passed as core subjects in the preceding semesters under CBCS or other schemes, to be pursued as Major and Minor courses or Double Major courses. Any CBCS or other previous scheme student joining the 3rd Semester has to submit an undertaking to qualify the Skill Enhancement courses of the 1st & 2nd Semesters as deficiency course.

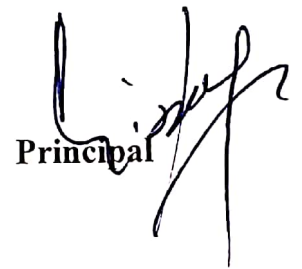

Admission Guidelines:
