## GDC-Kulgam

---

*File No. GDCK/BCH/05*

*Date: 04-05-22*

### *Notification*

*It is for the information of BG-3<sup>rd</sup> semester students (having attendance shortage as notified earlier) that their remedial laboratory work is going to be conducted from 4<sup>th</sup> May-22. This is going to be last chance to compensate the attendance shortage to be eligible for the internal practical examination. The laboratory timing is going to be 2-4pm, Monday to Saturday (excluding holidays).*
