Subject: **Final Subject Confirmation and Submission of Registration Returns for the Semester-III B.G. Programs.**

Notice

The B.G. Semester-III students who are currently enrolled in the college are strongly advised to complete a final subject check online at https://egov.uok.edu.in or offline at the college IT cell or in the file enclosed within three days positively, since we are processing the data for submission to the University of Kashmir. The students should make sure that the Multidisciplinary Courses they choose for Semester III differ from those they have chosen for previous semesters, as well as from the Major and Minor Courses and subjects they have studied in the 12th class, in compliance with the University Statues & National Educational Policy in vogue.

If any errors may have crept in, this will be the only chance to correct them. Additionally, students can use this window to update their ABC IDs and make any unpaid fee deposits.
