## CIRCULAR

The college being the premier institution in the district Kulgam has to depict & lead in inculcating an academic culture not only in its own institution but has to play an exemplary role in doing the same in other parts of the district. In this connection the following guideline is hereby issued which will help in augmentation of academic culture in the institution.

All the HODs are hereby impressed upon to take their students for visit to the college library once in a week. During the visit the concerned faculty member/s who is accompanying the students shall imbibe reading book culture among the students & will spend one full period in the library. All the HODs shall submit the monthly report on the subject with the undersigned without fail. The undersigned shall personally monitor the progress on the circular.
