Notice

Subject: Webinar on Medical Coding & Scholarship Test

It is hereby notified for the information of all the 6th-semester students of Botany, Zoology & Bio Chemistry that the Career Counselling Guidance & Placement Cell of the college in collaboration with Afitech (a Bangalore-based organization) is organizing a Webinar & Scholarship Test on 23rd of November 2022(Wednesday) to encourage and guide the students in their career. Afitech is a premier end-to-end training (technical, soft skills, individual grooming, domain/project-based), career counseling, fresher training, and placement, and recruitment solution-providing company, associated with 6000+ companies globally. We will conduct a 60 Minute online session about the "Latest Skills & in-Demand Career Paths" to guide the students & make them know the benefits and future of the technologies, which would be beneficial for them and help the students select the right career. We will also conduct a 30-minute test, to check the knowledge level of the students, as per the Corporate Company's requirement. Qualified students will be provided free training and placement assistance from Aficionado/Afitech. All the students from the above-mentioned subjects are hereby directed to join a WhatsApp group and the link for which has been already shared. All future communications and information in this regard will be shared in that WhatsApp group.
