## Notice

### **Subject: Signing up for the Financial Education Program.**

It is hereby announced that the National Institute of Securities Market is organizing a Financial Education Program called "Financial Literacy for Youth" as part of AXIS Bank's CSR project. The program aims to enhance participant's understanding of the securities market and create awareness about the career opportunities available in the industry. The program is free of cost, and students will receive participation certificates at the end of the program. All the students of BG 2<sup>nd</sup> Semester and college pass-outs who wish to join the said program are advised to register their names at the Department of Commerce or WhatsApp on 9596297715 to be considered for selection.
