NOTICE

Attendance Requirement for Final Examination

This is to inform all students that, as per the academic policy of University of Kashmir, **any student with less than 75% attendance will not be permitted to sit for the final examination.**

Students who fall under the **shortage list** are being given **one final opportunity** to improve their attendance by attending the remaining classes **regularly**. This is their last chance to meet the required attendance criteria to become eligible for the final examination.

All such students are advised to attend all upcoming classes without fail and ensure they meet the 75% attendance threshold before the commencement of the final examination.

Please consider this notice as final and non-negotiable.
