## Proposal Details

Whether Institution proposed Infrastructure Construction  Yes

### Infra Construction

S.No	Description of Infrastructure	Purpose of Infrastructure	Proposed Area Sq. feet	Total Cost per Sq. feet	Total cost	Justification
1	Multipurpose Sports Center (including protection bund, land development) at newly acquired land.	To boost sports infrastructure of the college.	4400	9,757	42,930,000	The sports infrastructure of the college is insufficient to support its current enrollment of students and staff. The multipurpose sports centre shall boost the sports infrastructure and help us in organizing various indoor sport activities which are essential for physical fitness and career development of students. Moreover, the college has recently acquired land adjacent to the main campus. Given its sloppy/uneven terrain, land development and protection bund are necessary to make any constructions on the said piece of land.

Whether Institution proposed Infrastructure  No

Whether Institution have details of Equipments  Yes

### Equipment Procured

S.No	Name of the Equipment	Quantity	Cost per	Total cost	Justification
1	Infrared spectrophotometer (portable)	1	1,300,000	1,300,000	To carry out the experiments of the students in addition to the experiments as part of research studies, keeping in view the BSC with research programs in tune with NEP 2020.
2	UV-Visible spectrophotometer double beam	1	550,000	550,000	To carry out the experiments of students in addition to the experiments as part of research studies with more precision and accuracy , keeping in view the the B.Sc with research programmes in tune with NEP 2020.
3	Machinery like copiers, printers, scanners.	2	125,000	250,000	NEP 2020 in place, the students will get certificates after completion of the milestone for a given exit point of certificate/diploma/3 year bachelors/4 year bachelors. This is going to create a demand for extra machinery like copiers, printers, scanners, desktop computers etc.
4	Interactive panels with processor, camera, protective case and UPS.	6	220,000	1,320,000	The institution upholds the demand and importance of digital platform in installing and imbibing the education in an effective and timely manner to its students. For this, all the classrooms in the newly constructed classroom block must be installed with wi-fi enables digital interactive panels.
