444

The following Guidelines shall be adopted to utilize provision made in para 10 of the S.A.F. out of the Students Aid Fund which is raised from the contributions made by students themselves at the time of annual admissions as part of Admission Fee.

The S.A.F. shall be divided into four categories.

- A. Orphan students with no earnings; and
children from broken families having no economic support to continue their studies.
- B. Handicapped / Physically challenged students or those suffering from chronic diseases dependent for life long medical support, having small earning. This category also includes a student having handicapped father with no sufficient income to maintain his family.
