Principal's Message

Prof. Syed Eazaz Hussain
Rizvi
Principal

The Govt. Degree College Kulgam is a Co-Education Institution with an enrolment of five thousand students. This institution emerges now as the largest college from South Kashmir with the most modern facilities viz. IT Networking, Browsing Centers, Language Lab, Gymnasium, Science Laboratories, GIS lab, Anthropology Lab, and Digital classrooms, etc. The college has taken lead in developing its infrastructure and the construction of new projects like the auditorium and library block shall be completed by 2024. The college has received a new patch of land nearly eight kanals with the help of worthy Deputy Commissioner Kulgam for which we are grateful to his entire office. The college has a proposal to construct a separate Indoor Stadium for the physical activities of the students on the new patch of land. The institution has set its goal for the best human resource development and quality education in the years to come. I also advise my faculty and students to make a judicious and optimal utilization of the facilities available in the college. I congratulate the IQAC Team, its coordinator, and all the conveners, HODs, faculty, and students of this institution, whose hard work has made it possible to bring out the college 2023 Annual Report in the form of a Newsletter. I am highly delighted to release this report, which encapsulates achievements in the field of infrastructure, development, academics, co-curricular and extra-co-curricular activities, sports, NSS, NCC, Debates, Culture, etc. for the year 2023.

Dr. Gowhar Hamid Dar
Coordinator IQAC

IQAC Report

It's a brand new year scintillating with hope and anticipation. Dear colleagues and students, it is my immense pleasure to write a few words regarding this Annual Report- 2023 in the form of the College News Letter- Issue 10. The new academic year always starts with great expectations and a sense of new beginnings, fresh ideas, and initiatives. At the same time, we cherish and search for the events that unfolded during the previous academic year. The Annual Report-2023 encapsulates all the activities and events that have been achieved by the college during the year 2023. The year 2023 has been one of the most remarkable years in the history of the college. The college has excelled in all fields be it sports, development, academics, community services, etc. At the same time, I am optimistic that the new year will unravel new hope and will mesmerize us with the fresh and smooth conduct of academic excellence. The College IQAC has successfully submitted its fifth AQAR and is looking forward to the successful completion of the NAAC Accreditation for its second cycle. The IQAC has also successfully submitted data for ARIIA and NIRF ranking, which itself is a great success for the college. I hope this annual report in the form of a newsletter will remind us of our shared commitment to taking this premier higher education institute to its new level of excellence in the coming days. I wish you all a happy new year!

Government Degree College Kulgam

Government Degree College Kulgam (GDCK) was established in the year 2004 with a vision to spread value-based education in this vibrant district of fresh water streams of south Kashmir. Over the last more than 20 years, GDCK has become the leading higher education institution of the district currently catering to education of more than 5000 students including male and female students for the undergraduate programme. The reputation and pre-eminence of the institution have been key in attracting the students from the distant and far-flung areas of the district. The GDCK's subject combinations are diverse, multidisciplinary and cut across the traditional boundaries. The college presently offers more than thirty subjects under different programmes including professional (BBA, BCA), non-professional (BA, BSC, BCOM), UGC sponsored Add-on courses, Vocational courses under RUSA, Skill Enhancement Courses and Ability Enhancement Courses under CBCS and NEP-2020 Schemes.

GDCK has a very beautiful vibrant campus spreading over 100 Kanals of land with an elevated landscape whose beauty is fortified by the peaks of Pir-Panchal mountain range. The college has got Science Block equipped with state-of-the-art laboratories, Arts Block, several classroom blocks, a multipurpose block, an Administration cum library block and a fitness centre. College buildings are illuminated using solar energy power plant. To access the online resources of learning including e-content, digital libraries and online learning management system the college campus is Wi-fi enabled. The college focusses on building core research strengths in all the frontiers of science, develop exemplary teaching programmes, nurture translational research and encourage the incubation of successful start-ups. As the college moves ahead to transform this vision into reality, it envisages to create plethora and endless opportunities for students, innovators, teachers, and researchers in the coming years.

Vision

To achieve academic excellence.

To earnestly strive for making the college the most enviable institution of higher learning, producing graduates par excellent in humanism, sincerity, morality devotion dedication ethics, and commitment.

Mission

To promote quality education for academic excellence.

To prepare a morally, emotionally, and mentally balanced and socially committed community.

To nourish and explore inherent creative qualities of students for their overall development.

To introduce varied courses for the best career options to meet future challenges.

College Anthem

Great Seat of Learning; a minaret of fight; Heap of wisdom's glint; Careful cruise through, oceans of thought; Reason's harmony and love's restlessness; It was destined; may its joy ever last! May this Seat of Learning live long!

This land prides on learning and fore; Fervency of arts and crafts from yore; This abode of saints and sages; A blooming lotus on a lotus leaf; May its towering a. blessing be! May this Seat of Learning live long!

This treasure is from La/la's maternal lap; Brossom'd Nunda. Resit from Sadr bosom Influence of(Oaf and Ahi); Interpretation of Simnani's dream; May their succor enduring be! May this Seat of Learning live long!

This song of Veshaw and Kaunsar; Confidant of Kongawattan and Ahrabal This god of Patal melodious notes; This secret of KhanaBarni's valor; May this fount purge our body and soul! May this Seat of Learning live long!

Proud heritage leaning on Pirpanjai; Coalesce times present with the past; Fathom with care depths of truth; Go up, stretching towards heights; May these tidings reach far and wide! May this Seat of Learning live long!

This is the garden of our children; May their hearts gush Zam-Zam springs l'Every eye a mirror be every letter a desire'Alodestar in journeys dark; May my God hear this prayer! May this Seat of Learning live long!

The girl members of the NSS Unit collaborated with the NCC Girls' Battalion-01 of the college on a cleanliness drive on the banks of the river Vishew at the village named Ashthal in district Kulgam. The Volunteers and Cadets collected all the non-biodegradable waste material strewn on the banks of Vishew. The garbage bags were afterwards loaded onto the college bus and disposed off in the municipal dust bins at the town of Kulgam.

The NSS Unit of the college in collaboration with the Department of Environmental Sciences took out a march from the college campus to main market, Kulgam, to promote behavioural traits which are environment friendly. Taking part in the march were the volunteers of the NSS Unit and the cadets of the NCC Girls' Battalion-01 of the college.

NSS Unit of the college finished the six-days' Smoking Free Campus Drive with a rally on the occasion of the "World No Tobacco Day" on 31st May 2023. . The drive began on the 3rd of May 2023 with the NSS Volunteers confiscating such contraband as Cigarettes, Cigarette Lighters and Match Boxes at the gate of the college and posting anti-smoking posters at various places in the college. This exercise was repeated on 4 th, 15th, 16th, and 19th May 2023. The sixth day of this drive was the 31st of May 2023, the World No Tobacco Day.

Community Services: NSS/NCC

The NSS Unit of the college organised a Campus Cleanliness Drive on 17th June 2023. The drive was flagged off by the Honourable Principal of the college, Prof Syed Eazaz Hussain Rizvi in the presence of the senior faculty members. The volunteers were instructed to sensitise the other students of the college about the importance of keeping the campus clean and polythene free.

In a powerful display of unity and commitment, the National Service Scheme (NSS) unit of GDC Kulgam took a resolute stand against the scourge of drug abuse within the campus. Under the inspiring guidance of the esteemed Principal Prof. Syed Eazaz Hussain Rizvi, the NSS volunteers, along with dedicated faculty members, orchestrated a march that echoed their firm resolve to combat this pressing issue. The march spanned across the campus, weaving through significant landmarks like the Administrative block, New block, Old block, and Higher Secondary block, symbolizing the unwavering march towards a healthier, drug-free campus.

The NSS unit of the college organized a momentous event that has left an indelible mark on the campus landscape. Under the banner of "Meri Mati Mera Desh" (MMMD), the college's NSS unit undertook a noble mission to create a flourishing grove (Vatika) of indigenous plants in the serene park area in front of the New Block.

Conferences, Seminars, Debates & Workshops

The Financial Awareness Workshop was organized by the Entrepreneurship & Innovation Cell in collaboration with CDSL & BSE and Department of Commerce on the 10 of April 2023 in the College Conference Hall to educate students on financial literacy. The event was attended by over 60 participants from various age groups and backgrounds. The workshop was aimed at promoting financial awareness and educating students on financial planning, budgeting, savings, and investments. The workshop was divided into two sessions. The first session focused on the basics of financial literacy, including understanding the different types of savings accounts, the importance of credit scores, and managing debts. The second session was more focused on investment opportunities and how to choose the right investment option based on personal financial goals.

The workshop was facilitated by financial experts who provided practical insights on managing finances. The speakers provided useful tips and advice on how to save money and invest in different investment options such as mutual funds, stocks, and bonds. The attendees were encouraged to ask questions, share their experiences, and seek advice from the experts. The workshop was an eye-opener for many participants who had limited knowledge about financial planning and investments and provided a platform for participants to interact with financial experts, seek advice, and learn from their experiences. The workshop was a step in the right direction towards promoting financial literacy and creating a financially literate society.

On 1st May 2023, a Workshop on Intellectual Property Rights was organized by the E&I Cell & IIC GDC Kulgam in collaboration with the Department of Commerce in the college conference Hall at GDC Kulgam. The workshop aimed to create awareness and impart knowledge about intellectual property laws and their importance in today's fast-paced world. The workshop was attended by over 50 participants, including students and faculty. The workshop began with an opening address by the Head of the Department of Economics, Dr. Shabir Ahmad Padder. He welcomed the participants and introduced the guest speaker, Dr. Sayed Ovais, (Assistant Professor) an IPR expert from the valley who has worked as Patent Attorney in K&S Partners for almost 3 years. Dr. Sayed Ovais began his presentation with an overview of IPR and its importance in today's world. He discussed the various types of IPR, including patents, trademarks, copyrights, and trade secrets, and explained the differences between them. He explained the importance of protecting intellectual property and the legal frameworks that exist for its protection. The speaker also discussed the challenges faced by the IPR system, such as infringement, piracy, and counterfeiting. He highlighted the importance of effective enforcement of IPR laws to protect the interests of creators and innovators. During the workshop, several case studies were presented to illustrate the practical application of IPR laws. Participants were encouraged to engage in discussions and ask questions about the legal and ethical aspects of IPR protection. In conclusion, the workshop on Intellectual Property Rights was a great success. It provided a platform for discussion and learning, and raised awareness about the importance of IPR in promoting innovation and protecting intellectual assets. The participants left the workshop with a better understanding of IPR and its current issues, which will be useful in their future academic and professional pursuits.

One-Day NAAC Workshop

The Internal Quality Assurance Cell (IQAC) of GDC Kulgam, in collaboration with the Department of BCA (Bachelor of Computer Applications), organized a one-day workshop on the National Assessment and Accreditation Council (NAAC).

The workshop aimed to familiarize the college staff with the recently designed Annual Quality Assurance Report (AQAR) that the institution is preparing to submit. The workshop commenced with an inaugural speech delivered by the esteemed Principal, Prof. Dr. Syed Eazaz Hussain Rizvi. His address highlighted the significance of NAAC accreditation and its impact on the overall development of the college. The Worthy Principal Sir emphasized the importance of continuous quality enhancement and appreciated the efforts of the IQAC and BCA department in organizing the workshop.

IQAC Hosts Virtual Lecture on "Research Paper Writing"

Celebration of National Voter's Day

An illuminative and enriching webinar on the theme "Understanding the Importance of NAAC accreditation for colleges with special focus on colleges of UT of J&K" was conducted by the Internal Quality Assurance Cell (IQAC), Government Degree College Kulgam on 27th January 2024 under the aegis of VIKSIT BHARAT @2024 for the colleges of UT of J&K to understand the importance of NAAC accreditation. The webinar was attended by more than 120 participants from different colleges of UT of Jammu and Kashmir and other institutes across the country. Among the participants included the noted academicians, principals of various colleges, faculty members, research scholars and students from all over country. Principal of the college Prof. Syed Eazaz Hussain Rizvi, in his welcome address thanked Shri Alok Kumar, Principal Secretary Govt. to Higher Education Department and Prof. (Dr.) Yasmeen Ashai, Director Colleges for their unwavering support and guidance. He highlighted the importance of NAAC accreditation for colleges and showcased the progress made by the institution in this direction. The invited speaker on the occasion, Prof. Geer Mohammad Ishaq, Department of Pharmaceutical Sciences, University of Kashmir gave a detailed presentation on the theme with his perspective and understanding on the importance of NAAC accreditation for colleges. His presentation on different aspects of NAAC highlighted the requirements to be prioritized for a successful NAAC accreditation of Higher Education Institutions. Coordinator IQAC, Government Degree College Kulgam, Dr. Gowhar Hamid Dar in his talk profiled the progress made by the institution since its foundation in the year 2004. He further, highlighted the achievements made by the college and IQAC cell post accreditation and also spoke about the plan of action to be carried forward. The luminaries engaged in a constructive discussion on the theme and all the issues and aspects related to the theme were discussed in detail. The vote of thanks on the occasion was presented by Dr. Mohammad Iqbal Rather, Member IQAC, Government Degree College Kulgam

Academic Activities / Subject Tours

In order to expose students to the natural repositories of various medicinally important natural products and the herbal wealth of wild medicinal plants of high mountains of Jammu and Kashmir, the department of Chemistry, GDC Kulgam conducted a day long exposure visit/subject tour for 2nd semester students to Doodhpatri area of Budgam district on June 12, 2023. Around 35 students accompanied by the head and faculty of the department of Chemistry participated in the tour. The area is known for its plant biodiversity which is a potential source of revenue for the state. Various plant species inhabiting the area include *Sassauria lappa*, *Dioscorea deltoidea*, *Aconitum heterophyllum*, *Picorrhiza kurooa*, *Podophyllum hrxandrum*, *Atropa belladonna*, *Artemisia sp*, *Jurinea micropylla* in addition to various species of mosses. The area was scanned by the students under the supervision of faculty members of the department for identifying various medicinally important plants. The students also collected some medicinal plants like *Artemisia sp*, *Atropa belladonna* and *Podophyllum hexandrum*. The students also conducted on spot analysis of water samples of streams and springs of the area for their physicochemical parameters like pH, TDS and Conductance using portable device.

Intra-College Cricket Tournament

An intra-College cricket tournament involving twelve teams of the college started on 26th May, 2023 in the college playground. The tournament was organised by Physical Education Department of the college. Worthy principal of the college, Prof Syed Eazaz Husain Rizvi, formally inaugurated the tournament and addressed the participating teams. He laid emphasis on the importance of games on the physical fitness and in imbuing the team spirit among the students of the college.

Annual Road Race 2023

The Department of Physical Education of the College organized Annual Road Race for male students on 6th June, 2023. The registration started two weeks before the schedule of the event and 100 students of various Semesters of the College registered for the same. The race started from the College Campus and culminated at Srandoo Stop, covering a distance of 6 kilometres. The race was flagged off at 6:30 am from the main campus by Mr. Shabeer Ahmad, Additional of Police Kulgam in presence of the College faculty. Fazil Aashiq (Chest No. 167) secured the 1st position while as Zahid Mushtaq (Chest No. 156) and Rasik Iqbal Wani (Chest No. 166) secured 2nd and 3rd positions, respectively. Later, a felicitation ceremony was held in the College Campus which was presided by the Principal of the College, Prof. Syed Eazaz Hussain Rizvi. In his brief address to the students, he highlighted the importance of physical activities in one's life and called upon the students to make optimum use of the sports facilities available in the College. Guest of honour, Mr. Shabeer Ahmad held that in order to cope up with anxiety, stress and other mental problems, one must actively engage himself in sports activities. The 1st, 2nd and 3rd position holders were felicitated with trophies and merit certificates were also presented to all the participants.

Dr. Gowhar Hamid Dar - Assistant Professor (EVS)

Principal GDC Kulgam releases Dr. Gowhar's 26th Book

Principal, Government Degree College (GDC) Kulgam, Prof. Syed Eazaz Hussain Rizvi released Dr. Gowhar Hamid Dar's 26th book titled 'Nano-phytoremediation and Environmental Pollution: Strategies and Mechanism.'

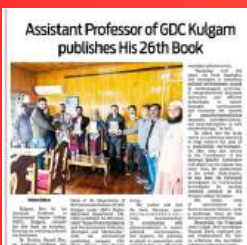

The book discusses nano-phytoremediation, use of nanotechnology in combination with phytoremediation to restore polluted environs and the potential of plants in association with nanomaterials to effectively remediate polluted areas. It also highlights new strategies to remediate polluted environments due to anthropogenic actions.

The book comprehensively discusses the innovative and efficient technologies to restore the damaged environments and to evaluate the success of nano-phytoremediation strategies, cost effectiveness and nano-informatics in safe nanotechnology. This book promises as a reference material in the direction to achieve the goal of a sustainable environment.

Principal congratulated Dr. Dar on achieving this incredible milestone in his early career. He is an Assistant Professor and Head Department of Environmental Science from Government Degree College Kulgam of J&K's Higher Education Department (JK-HED).

This was his 26th book, and published with a reputed international publishing company, CRC Press, Taylor and Francis Group.

Dr. Dar has more than 80 publications to his credit besides being the Principal Investigator/Co-Principal Investigator for various Research Projects at Sri Pratap College Srinagar. His major area of specialization is Environmental Science with special focus on fish diseases and microbiology.

Zero Waste Management Technologies

This volume highlights cutting-edge research on Zero waste management and the associated effects of waste on the environment. Predominantly, it focuses on the challenges of dealing with the amassed production of waste and the cumulative impact of increasing waste on the biosphere. Different sections of this book focus on the comprehensive overview of the technological advancements driving the Zero Waste movement. Furthermore, it explores innovations in waste reduction, recycling, and repurposing, from a global perspective, examining the diverse cultural, social, and economic factors influencing the adoption of zero waste strategies worldwide. In addition, it discusses the challenges, and opportunities inherent in promoting a unified global effort toward sustainable resource management. Discover the latest breakthroughs in waste reduction, recycling, and resource optimization. This essential guide empowers you to implement practical, innovative solutions for a greener future. Whether a business owner, environmental enthusiast, or simply curious about sustainable living, this book is a roadmap to a cleaner and healthier planet.
