GDC Kulgam 17th of October 2024

The NSS unit of Govt. Degree College Kulgam organized a one-day trekking expedition to Kongwatan on 17th October 2024. Kongwatan, located 7 kilometers from Aherbal, is known for its enchanting landscapes. The trail, adorned with meadows, blooming flowers, and serene watercourses, offered breathtaking views, with rivers flowing alongside, creating a symphony of nature. As students trekked, they encountered shepherds tending flocks of sheep, which added a pastoral charm to the journey. The vibrant life of the local tribes further enriched their experience, providing a glimpse into the simplicity and beauty of tribal life.

After a delightful lunch amidst nature, the NSS Program Officer, Dr. Rayees Ahmad, engaged with the volunteers, discussing various community issues and emphasizing their role in the betterment of the college and society. The participants expressed immense joy, appreciating the natural beauty and the unique experiences along the way. They also extended their gratitude to the college principal, Prof. Dr. Syed Eazaz Hussain Rizvi, for facilitating this memorable trip, which blended adventure, learning, and a deeper connection to nature.
