*Reported by : Mr. Irshad Ahmad Lone (Convener Media Cell).*

GDC Kulgam, 20-9-2023: The Department of Islamic Studies at Government Degree College (GDC) Kulgam organized an educational and spiritually enriching tour to the historically significant destinations of Charar-i-Sharif and Pakharpora on September 20, 2023. This initiative aimed to foster a deeper understanding of the rich Islamic heritage and cultural significance of these locations among the participating students.

Charar-i-Sharif, nestled in the picturesque Kashmir Valley, is renowned for its historical and spiritual significance. It is home to the revered shrine of Sheikh Noor-ud-din Noorani (RA), also known as Sheikh-ul-Alam, a 14th-century Sufi saint. The shrine attracts pilgrims and tourists from far and wide, seeking spiritual solace and historical insights. The students, accompanied by their professors, explored the shrine, learned about the life and teachings of Sheikh-ul-Alam, and observed the peaceful coexistence of diverse communities in the area. The journey continued to the enchanting town of Pakharpora, known for its pristine natural beauty and historical landmarks. Here, the students visited the shrine of an eminent Sufi saint. They engaged in discussions with local scholars, imbibing the wisdom and spiritual depth associated with this sacred place.
