GDC Kulgam, 24-08-2023: In a remarkable display of unity, adventure, and camaraderie, the NSS Unit of Government Degree College (GDC) Kulgam undertook a challenging 3-day trekking expedition to the breathtaking Famber Valley in Kishtwar. A group comprising 23 individuals, including 16 enthusiastic students, 5 dedicated faculty members, a local fund employee, and the NSS Program Officer of the college, embarked on this memorable journey from August 22, 2023, to August 24, 2023.

The Journey's Commencement: A Prelude to Adventure

The expedition's inception was marked by a palpable sense of excitement as participants gathered at the college gate at the early hour of 8:00 am. With spirits high and hearts brimming with anticipation, the group boarded the college bus, their mode of transportation to the starting point of their trek. The sun shone brightly as they set off on a journey that promised not only physical challenge but also opportunities for personal growth and unforgettable memories.

By 11:00 am, the bus had made its way to Daksum, Kokernag - a picturesque location that served as the launchpad for the foot trek to the awe-inspiring Famber Valley. As the team disembarked from the bus, the verdant surroundings and invigorating mountain air served as a reminder of the natural beauty that lay ahead.

Guiding the team through this journey of self-discovery and exploration was Mr. Shahid Yousuf Gilkar, the dedicated NSS Officer. With his wealth of experience and unwavering commitment, Mr. Gilkar assumed the role of not only a leader but also a mentor to the participants. His guidance and leadership would prove to be invaluable as the team navigated the challenges that lay before them.

Under Mr. Gilkar's wise guidance, the team embarked on the first leg of their trek, traversing the rugged terrain with a sense of determination. The path led them through a series of breathtaking locations, each contributing to the mosaic of memories that would shape their experience. Habal Nai, Minamal, Kharagaagda - these were not just names on a map but waypoints that marked their progress. As the day unfolded, the team's endurance was tested, but their spirits remained unbroken.

Finally, as the sun began its descent, the group arrived at Droubmarg, their first overnight stop. The sight of the mountains looming in the distance was both humbling and invigorating, serving as a tangible reminder of their journey's purpose. With the day's challenges behind them, the participants settled in for a night of rest, excited about the days to come.

Challenges and Triumphs: The Journey to Famber Valley

The second day dawned, and the team embraced it with an air of anticipation. They set out at 7:00 am, their destination clear: the coveted Famber Valley. The day's route was not for the faint of heart - it demanded strength, resilience, and an unwavering spirit. Yet, the participants pressed on, each step a testament to their commitment to overcoming obstacles and embracing the adventure.

Badal Bradi, Wairool, Naga Mandi, Watnaad - the names rolled off the tongue, each signifying a milestone on the journey. And then, finally, Bajpathri was reached at 12:30 pm, offering a reprieve and a chance to recharge with a hearty lunch. The view from Bajpathri was nothing short of spectacular, a panorama of nature's beauty that left the participants in awe.

As the day progressed, the group retraced their steps, making their way back to Droubmarg by 4:30 pm.
