Report of Awareness Programme on “Kisan Daksh: A Comprehensive Learning Management System”

Today on 22-06-2023, an awareness programme was organised by Career Counselling/Guidance and Placement Cell in collaboration with Agriculture Production and Farmers Development Department on the theme " Kisan Daksh: A Comprehensive Learning Management System". The aim of the programme was to introduce Kisan Daksh to our students. Daksh Kisan is providing high quality training and educational resources and offers 121 certificate courses in 4 languages. The portal opens up lot many career opportunities related to agriculture and allied fields. The programme was attended by students, faculty members and guests from Agriculture Production and Farmers Development Department including Mr. Mohd Amin Sheikh (District Agriculture Officer), guests from Fisheries Department and doctors from Animal Husbandary Department. At the outset, introductory lecture was given by resource person Mr. Shabir Ahmad Mir, which was followed by detailed presentation by Dr Nisar Ahmad Dar, Technical Officer. He discussed about various courses and scheme available in the department. He discussed many agriculture related businesses as well as financial assistance schemes. He showed practical demonstration of Kisan Daksh Portal and made the participants to go through the website. Concluding remarks were presented by Prof Aezaz Hussain Rizvi, Principal of the college. There were lots many queries from faculty and students which were handled well by resource person at the end of session. The seminar was concluded by formal vote of thanks by Dr Mohd Altaf Paul, Coordinator, Career Counseling and Placement Cell. Overall it was wonderful awareness session and a good opportunity for multiple careers in agriculture sector.
