Report of the Month of May 2023

Report regarding the “On-Campus How to be Pro-Planet Banner-Drive”

The NSS Unit of the college organized an “On-Campus How to be Pro-Planet Banner-Drive” today on 26th May 2023. The Drive was flagged off by the Worthy Principal of the college at 11:00 AM by an address to the NSS Volunteers. He impressed upon the gathered faculty and the NSS Volunteers the necessity of taking concrete steps at the individual, community and institutional levels to make our planet a safe and healthy place for future generations. In this connection he advocated the adoption of Life Actions listed in the brochure of Mission LiFE issued by the Ministry of Environment, Forest and Climate Change, and NITI Ayog. He pointed out how the adoption of these actions will play a significant role in preserving our planet for future generations. This was followed by the fixing of banners listing Life Actions throughout the campus by the NSS Volunteers. During their walk around the campus, the NSS Volunteers interacted with other students explaining to them how important it was to adopt these actions in our day to day lives for the preservation of our environment. The event concluded with an address to the NSS Volunteers by the NSS Program Officer, Mr Shahid Yousuf Gilkar. In his address he pointed out the indispensable role that NSS Volunteers need to play both on the college campus and in their communities to spread awareness about the concrete steps that can be taken at individual and community level to mitigate the damage that human actions cause to our planet.
