**Report regarding the “Classroom to Classroom Drug-Abuse Awareness-cum-Counselling Drive”.**

The NSS Unit of the college conducted an on-campus “**Classroom to Classroom Drug-Abuse Awareness-cum-Counselling Drive**” on 18<sup>th</sup> May 2023. The event was flagged off by the address of the Worthy Principal, Dr Syed Eazaz Hussain Rizvi, to the NSS Volunteers. In his address to the volunteers, he highlighted the vital role that they must play in the development of their community in general and their college in particular. He exhorted them to save not only themselves but also try their best to save their friends, neighbours and acquaintances from the menace of drug-abuse. Following this, accompanied by the NSS Program Officer, Mr Shahid Yousuf Gilkar, the NSS volunteers walked around the campus. They interacted with students both in the grounds and the classrooms of the college informing them about the deleterious effects of drug-abuse both at the individual and community level and how they must save themselves and their friends from this life-threatening menace. They also instructed the students to seek help to extricate themselves or their friends, relatives and acquaintances from the mire of drug-abuse if they are already addicted. Some of the volunteers pasted posters with slogans against drug-abuse and national Drug-Deaddiction Helpline on the walls of different buildings around the campus. The event concluded with a couple of speeches by the NSS Volunteers, Ms Zaika and Ms Aayat Manzoor both of 2<sup>nd</sup> Semester, in one of the smart classrooms of the Department of Computer Science. Both of these student-speakers impressed upon their fellow students the dangers of drug-abuse and the absolute necessity of saving themselves from the jaws of the monster called drug-abuse.

NSS Program Officer
