On June 26, 2024, the NSS unit of Govt. Degree College Kulgam organized a pledge ceremony to commemorate the International Day against Drug Abuse. The event was held under the theme: "The evidence is clear, invest in prevention." NSS volunteers, college students, faculty members, and volunteers from the Department of Education actively participated in the ceremony.

The pledge ceremony began with an inspiring speech by the Principal, who emphasized the importance of preventive measures in combating drug abuse. Program Officer NSS, Dr. Rayees Ahmad, then read out the pledge, which was followed solemnly by all participants. The pledge committed everyone to contribute to a drug-free society by spreading awareness, supporting prevention initiatives, and helping those affected by drug abuse.

The ceremony aimed to instill a sense of responsibility among students and faculty members, highlighting the crucial role of education and community involvement in addressing the issue. Banners and placards with anti-drug messages were displayed, reinforcing the theme of the event.

The event concluded with a reaffirmation of commitment by all attendees to work towards a healthier, drug-free community. The pledge ceremony was a powerful reminder of the collective effort needed to prevent drug abuse and its devastating effects.
