Tour Diary

In compliance to order number GDCK/Estt/22/895, Dated: 05/07/2022, the faculty, students and staff of the department of computer applications assembled in the premises of GDC Kulgam on 07/07/2022 early morning for attending software cum industrial tour at NIELIT Rangrate Srinagar.

The bus left from Kulgam at 8:00 am and reached Rangrate Srinagar at 10:30 am. The students alongwith the escorting staff went to the auditorium where NIELIT authorities had arranged a special event for our college and SSM college of engineering Srinagar. The title of the event was “Future Skill Orientation and College to Employment Road Map.”

The event started at 11:00 am. The participants and resource persons were welcomed by Sh Ashaq Hussain Dar, Scientist-D NIELIT. Keynote address was delivered virtually by Sh Deepak Wasan, Executive Director NIELIT J&K. Sh Younes Asad, Director Elite-SR, in his lecture enlightened the students about various employment opportunities and approaches for planning a good employment after completing their degrees. Sh Syed Nisar Bukhari, Scientists -C NIELIT delivered a technical session on Artificial Intelligence and Machine Learning. The event ended at 2:00 pm.

After taking lunch, the students visited the Data Science Lab and other Computer Labs of NIELIT. Then the participants were served with refreshment. After that the participants assembled in NIELIT premises for returning back.

The bust left from Srinagar at 3:30 and reached Kulgam at 6:00 am. All the participants enjoyed the tour very much and praised their college for arranging the tour. As per the feedback from students, the tour was highly beneficial for providing them exposure related to their subject and increasing their knowledge.
