Reported by : Mr. Irshad Ahmad Lone (Convener Media Cell).

GDC Kulgam, 14-08-2023: The National Service Scheme (NSS) and National Cadet Corps (NCC) units of Government Degree College (GDC) Kulgam came together today to organize a poignant event, "Partition Horrors Remembrance Day." The event aimed to pay tribute to the countless lives affected by the partition of India in 1947 and raise awareness about the human suffering and resilience during that tumultuous period.

The event commenced with an insightful inauguration lecture delivered by the esteemed Principal, Prof. Syed Eazaz Hussain Rizvi. Prof. Rizvi highlighted the importance of remembering history to build a better future and emphasized the significance of unity in a diverse society. His words resonated deeply with the audience, setting the tone for the rest of the event.

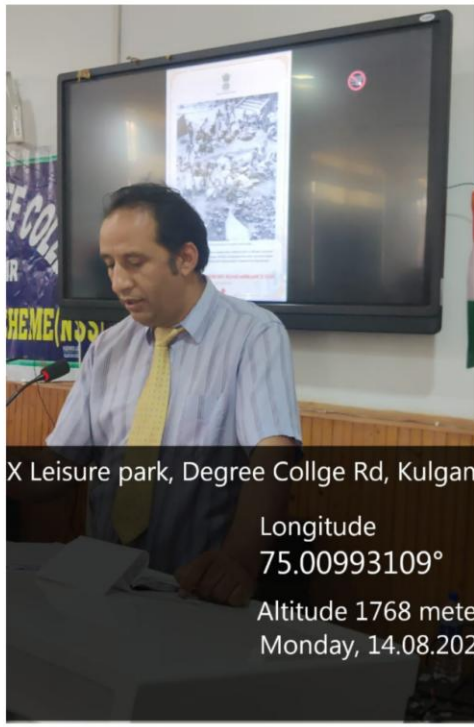

The main speaker of the session, Dr. Hashim Iqbal Malik, captured the audience's attention as he delved into the horrors of the Partition day. Dr. Malik's lecture provided a vivid account of the emotional and physical challenges faced by families torn apart by the partition, as well as the resilience displayed in the face of adversity. His historical insights offered a somber reflection on the past and underscored the importance of tolerance and understanding in today's world.

The event was graced by the presence of distinguished guests, including Mrs. Mahjabeena Akhter, the wife of Lance Naik Nazir Ahmad Wani, Ashok Chakra awardee, and Major Swapnil Shrivastava. Their presence added a sense of honor and reverence to the occasion, as they acknowledged the sacrifices made by individuals who dedicated their lives to serving the nation.

The stage was then taken over by a group of passionate and well-prepared students, each delivering thought-provoking presentations on the theme. The session featured a diverse array of topics, ranging from personal anecdotes of partition survivors to the socio-political impact of the event on modern India. The eloquence and depth of the students' speeches demonstrated their commitment to learning from the past and shaping a harmonious future.

Two brilliant students, Zainab Naushad and Nazima Naushad, skillfully anchored the session, seamlessly guiding the audience through each presentation and ensuring a smooth flow of the event.

As the event drew to a close, a heartwarming vote of thanks was extended by another NSS student, expressing gratitude to all the participants, guests, and organizers who made the event a success. The audience left the event with a renewed sense of empathy, understanding, and determination to create a world free from the divisions that once tore a nation apart.
