Report regarding the “Classroom to Classroom Drug-Abuse Awareness-cum-Counselling Drive”.

The on-campus “**Classroom to Classroom Drug-Abuse Awareness-cum-Counselling Drive**” flagged off by the address of the Worthy Principal, Dr Syed Eazaz Hussain Rizvi, to the NSS Volunteers in the morning of the 18th May 2023 continued on the second day on 19th May 2023. Accompanied by the NSS Program Officer, Mr Shahid Yousuf Gilkar, the NSS volunteers walked around the campus. They interacted with students both in the grounds and the classrooms of the college informing them about the deleterious effects of drug-abuse both at the individual and community level and how they must save themselves and their friends from this life-threatening menace. They also instructed the students to seek help to extricate themselves or their friends, relatives and acquaintances from the mire of drug-abuse if they are already addicted. Some of the volunteers pasted posters with slogans against drug-abuse and national Drug-Deaddiction Helpline on the walls of different buildings around the campus. The event concluded with an address by the NSS Program Officer, Mr Shahid Yousuf Gilkar, to the NSS Volunteers in which he laid stress on the indispensable role that NSS Volunteers must play in making their society in general and their college premises in particular free of this malady fatal to individual, social and, ultimately, to national development.
