"Department of Computer Application & DIAC at GDC Kulgam Kicks Off "Digital J&K Week" with Enthusiasm"

Reported by : Mr. Irshad Ahmad Lone (Convener Media Cell).

GDC Kulgam, 31-08-2023: The Department of Computer Application along with DIAC at Government Degree College (GDC) Kulgam embarked on an exciting journey today as it inaugurated the much-anticipated "Digital J&K Week." The week-long event was inaugurated by the esteemed Principal, Prof. Syed Eazaz Hussain Rizvi, reflecting the college's commitment to embracing digital advancements and fostering creative talents. Under the dynamic guidance and the proactive leadership of the esteemed Principal, the event's schedule for each day has been meticulously planned. The week's activities are designed to engage students in various aspects of digital technology and innovation.

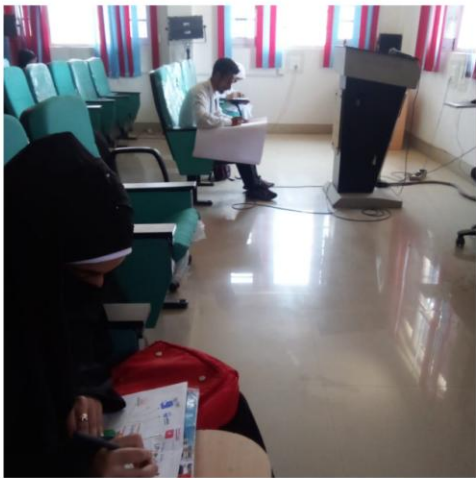

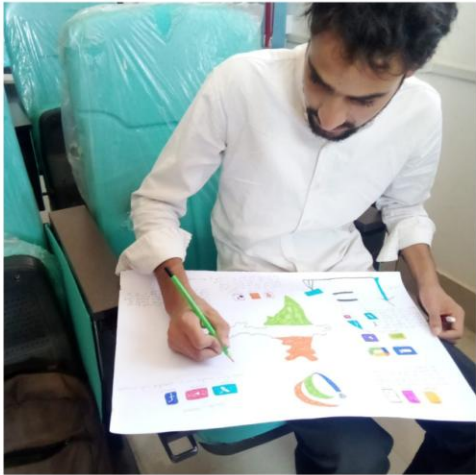

The inauguration day witnessed an artistic flair as a painting competition centered around the theme "Digital J&K" took place. The event was made even more special with the active participation of Principal Prof. Syed Eazaz Hussain Rizvi himself, who took a keen interest in the creative expressions of the students. A total of 7 talented students showcased their artistic skills, filling the room with a burst of colors and imagination.

The judging panel, comprising esteemed members including Dr. Nisar Ahmad Malik, Dr. Aqib, and Saba Tahir, had the challenging task of selecting winners from the impressive entries. Prof. Rizvi commended all the participants for their exceptional artwork, emphasizing the significance of such events in nurturing creative thinking and innovative expression. He expressed his desire for such initiatives to become a regular feature at the college.

The final rankings were announced with Muzamil Waris securing the first position, followed closely by Kaleem Ullah Khan in second place, and Faizan Fayaz clinching the third position. The credit for compiling the list of participating students goes to Mr. Shamim Ahmad Hakim, Senior Assistant Professor.

As the event progresses, the upcoming days promise a diverse range of engaging activities. The week's schedule includes seminars, quizzes, videography sessions, stall installations, and student-led innovation showcases. These activities aim to create a holistic learning experience by integrating practical skills, theoretical knowledge, and creative exploration.

The "Digital J&K Week" has undoubtedly set the stage for a week filled with innovation, knowledge-sharing, and celebration of technology. As the college community eagerly anticipates the unfolding events, it is clear that GDC Kulgam is committed to preparing its students for the digital age and empowering them to shape the future through their ideas and talents.
