## Disaster Management Program Held at Govt. Degree College Kulgam

A disaster management program was organized by the National Service Scheme (NSS) unit of Government Degree College Kulgam in collaboration with the State Disaster Response Force (SDRF Kulgam) and Fire and Emergency Service Kulgam on October 21, 2024. The event, held in the New Block, witnessed enthusiastic participation from approximately 100 students.

Dr. Rayees Ahmad, NSS Program Officer, welcomed the guests from SDRF and Fire and Emergency Service, emphasizing the significance of such programs. He encouraged students to be part of disaster management initiatives, terming them "ambassadors of the nation."

Resource persons from both departments delivered insightful speeches and demonstrated vital disaster management techniques. The hands-on training equipped students with essential skills to respond effectively during emergencies.

Students lauded the college administration for organizing this valuable program. The event aimed to sensitize students to disaster preparedness, response, and mitigation strategies. By empowering youth with knowledge and skills, the program contributed to building a resilient community.

The successful event underscores the college's commitment to promoting disaster awareness and community service. The NSS unit plans to conduct more such initiatives, fostering a culture of preparedness and responsibility among students.
