A review meeting of the IQAC was convened on 20th December 2021, in which a detailed discussion/ report was taken on the issues resolved in the last meetings held on 02/03/2021 & 06/09/2021. In the onset the Coordinator IQAC presented the brief report on the status of issues resolved in the previous meetings. The members were highly satisfied with the progress achieved during the current academic year. The coordinator appreciated the efforts of the whole college staff for their smooth cooperation and coordination during the pandemic for running the academic session smoothly. He further informed the members that college has successfully signed MOUs with DLSA Kulgam & Municipal Committee Kulgam as was desired in the previous meeting. On the occasion the Principal informed the participant members that the administrative department has approved the Languishing project/Library block and funds for the same have also been approved. On the occasion the participant members were highly satisfied that the IQAC has successfully conducted National Webinar/workshops/extension lectures. Furthermore, the participant members also praised the efforts of the college NSS for their vibrant activities carried throughout the session. At the end of the meeting the members resolved the following:

- All the members unanimously agreed that the activities carried out during the current academic may be published in the form of college newsletter so that the community and students get know about the same.
- The members also resolved that the Convener college magazine committee may be advised to start the process of publication of the college magazine/prospectus for the academic year 2022-23. Moreover, college admission committee may also be advised to frame the modalities for admission for the academic session 2022-23.
- The members also resolved that the IQAC committee shall prepare institutional IDP/academic calendar in congruence to NEP-2020 during the winter vacations for the smooth functioning of the academic session 2022-23.
