Feedback Analysis of Stakeholders and Action Taken Report For the Year 2020-21

The institution collects feedback on curriculum, administration, infrastructure, student support service and courses from different stakeholders such as students, alumni, faculty, and employers. The IQAC through college Advisory Committee analysed the feedback and valuable suggestions given were considered and a necessary action was executed:

S. No.	Feedback	Action Taken
01	On Syllabus Completion	The Feedback was shared with the college faculty and it was ensured that the syllabus shall be completed in time. The College Academic Affairs Committee visited all the departments and took on-spot review/virtual review of the status of syllabus completion and appraised the concerned HODs regarding measures to be initiated so that syllabus is completed in time.
02	On Teachers	The feedback was shared with the college faculty so that they get apprised about the student feedback. The college IQAC through academic affairs committee convened a general meeting with all the faculty members wherein a thorough discussion was done on the received feedback. It was resolved that Learning Management System through interactive enhanced, Smart class programmes like activities may be initiated to make the teacher-student interaction more vibrant.
03	Internal Assessment/Examination	The IQAC through the College Examination Committee ensured that all the internal assessment related exams are done through online mode during Covid-19 pandemic. Moreover, Internal Tutorials were introduced from the academic year 2020-21 to bring more accountability in teaching learning process.
04	ICT Infrastructure	The College IQAC through Development Committee made the all class rooms digital so that during the pandemic like situation students are able to avail virtual interaction and attend classes of their respective teachers.
05	Safety for Girl Students	The college has already established sexual harassment cell/women empowerment cell in the college. Moreover, to give a safe space to the women candidate, a Girls Common Room has also been put in place. Furthermore, CCTV cameras have been put in place in whole campus so that the campus is under surveillance, which

		will help in ensuring women safety in campus.
06	Extra-Curricular activities	Observation of International Yoga Day, SWACCH Bharat, and more such activities were carried out which address current needs of our society. Talks on research in undergraduate level and Skill India were organised. Workshops and Seminars were conducted on many issues such as Role of ICT in Education, Biotechnology in Health, Environment and Education, Financial Resources, International Relations etc. Some well known experts have been invited so that the students get exposed with modern trends in higher education.
07	College Library & e-resources	The College IQAC through Library Committee procured new texts for the college library. The books were made available for the students so that they get benefited. In addition to this free access facility for faculty and to e-Journals [INFLIBNET] was given.
08	Canteen	The Canteen was made more student friendly. All the goods that students demand were made available in the canteen on concession rates. Moreover, it was ensured by the college administration that the college canteen committee must carry routine visits to the canteen so that student grievances are addressed in a proper manner.
09	Overall Quality of Teaching-Learning Process	The college IQAC through Academic Affairs Committee decided to make Academic Audit compulsory and through which it shall be ensured that quality of teaching learning may be made more effective and vibrant.
