An important meeting regarding the framing of institutional IDP and Academic calendar for the year 2021 was convened under the chairmanship of college principal on 2nd March 2021 in the principal chamber. The meeting started with the introductory remarks on the given agenda which were delivered by the principal. The participant members thoroughly discussed and deliberated upon the pros and cons of the proposed IDP and Academic calendar and after broad consensus the following points are hereby inked for consideration/approval:

- All the participant members unanimously resolved that the proposed Institutional IDP/Academic calendar is fairly drafted and incorporation of the proposed changes made during the deliberations, may be incorporated in the final IDP/academic calendar.
- The participant members unanimously resolved that an extension lecture series, workshop on New Education Policy, adoption of village, community development programs/linkages, National webinar and other activities incorporated in the college academic calendar may be organized during the academic year 2021-22.
- On the occasion the participant members agreed that the Languishing project (auditorium) and New library block construction in the college may be taken with the administrative department for approval/funding thereof.
- The participant members also agreed that the beautification of the college campus may be put on priority and the college landscape committee may be activated for the purpose.

Submitted for consideration.
